Dear Colleagues,

Call for Papers
2nd International Conference on Computational Science and Engineering (2nd ICCSE 2014)
REX Hotel, 141 Nguyen Hue Blvd, District 1, Ho Chi Minh City, Vietnam

The aim of the conference is to promote research and development in computational science and technology in Vietnam with a focus on four important areas of research, namely Computational Biophysics and Medicine, Computational Chemistry/Physics, Environmental Science and Engineering, and Applied Mathematics and Information Technology. The conference will be an exciting scientific event that brings together well known international as well as local researchers in these fields.

I hope you will be able to attend and present a paper at the conference. Relevant deadlines are:

Abstracts (Oral presentations and Posters): 30th April 2014
Notification of Acceptance of Abstracts: 31st May 2014
Registration: 30th June 2014

I would appreciate it very much if you could please also inform those colleagues of yours who might be interested in attending this conference.

Best regards,

Thanh Tran-Cong
