Hello,

**Registration** is now live for Vibewire’s upcoming #Hack4Homelessness

#Hack4Homelessness brings Australia’s leading technology, engineering, data and social impact students, social entrepreneurs and startups together to tackle the challenge of homelessness.

Please encourage students, friends, family or colleagues you think would be interested to register: [https://www.eventbrite.com.au/e/vibewire-hack4homelessness-tickets-36806190306](https://www.eventbrite.com.au/e/vibewire-hack4homelessness-tickets-36806190306)

More info at:
